SPONSORSHIP PROSPECTUS

Toronto, Ontario

October 12 to 15, 2017

**Annual Scientific Meeting
Réunion scientifique annuelle**

SPONSORSHIP AND EXHIBITOR PROSPECTUS

The Canadian Society of Allergy and Clinical Immunology is the most comprehensive national annual scientific meeting gathering renowned allergists, scientists and research professionals across Canada and the globe under a single roof, where they discuss the research, achievements and advancements in the field of allergy, asthma and clinical immunology. This meeting will lay a platform for the interaction between experts and aims to advance scientific discoveries and major milestones.

The CSACI annual scientific meeting is a four-day meeting focused on providing the best education for the allergy community. It will offer our corporate partners in the field of allergy, asthma, and clinical immunology from Canada and around the world to meet specialists, researchers and allied health professionals in an atmosphere conducive to medical, scientific and social interaction.

Please take the opportunity to review the 2017 Sponsorship and Exhibitor Prospectus and select your level of support.

It is a great example of what we can achieve together. We look forward to your involvement.

Why support the CSACI !

The CSACI is a not-for-profit society recognized as the largest and most influential Canadian professional medical organization representing allergists, asthma specialists, clinical immunologists, allied health professionals and scientists with special expertise in the management of allergic/immunologic diseases, including treatment, education and research. The CSACI represents over 460 Canadian and international members.

The goals of the CSACI are to promote harmony and understanding between physicians and others of the medical profession engaged in the practice of allergy and clinical immunology as well as improving the quality of life of people with allergies through research, advocacy, and continuing professional development and public education. By being a CSACI partner, you can make a difference.

The CSACI is an accredited provider of Continuing Professional Development (CPD) activities, and as such, we support and provide opportunities for our members to enhance their medical education.

The CSACI offers a unique opportunity to increase your organization's exposure of products and services for asthma, allergy and clinical immunology.

THE CSACI OFFERS THE FOLLOWING BENEFITS:

- Highlight your organization's commitment to Allergy, Asthma and Clinical Immunology education;
- Enhance your profile in the Canadian allergy and asthma community;
- Interact with Canadian and international allergists, clinical immunologists as well as allied health professionals.

SPONSORSHIP OPPORTUNITIES

The CSACI recognizes the need for close collaboration between the organization and the corporate sector. This prospectus has been developed to identify initiatives currently being undertaken by CSACI.

The Partnership Programs have been created by the CPD and annual scientific meeting committees to address the needs of the Society.

Partnership Levels

Grand Patron, Patrons, Platinum, Gold, Silver, Gold and Supplemental Opportunities.

Compliment your company's marketing plan by increasing your visibility as an official CSACI sponsor. Our Partnership Program offers your company opportunities to reach the meeting participants before, during and after the conference and Trade Show by:

- Providing an unrestricted educational grant to support the educational and research activities of the CSACI;
- Combining individual sponsorship items to achieve a Partnership level.
