

**PHYSICIAN, SECTION OF ALLERGY CLINICAL IMMUNOLOGY**  
**The Department of Internal Medicine**  
**Rady Faculty of Health Sciences**  
**University of Manitoba**  
**Position number: 30646**  
**PMAO 2946**

Shared Health and the Department of Internal Medicine, Max Rady College of Medicine, Rady Faculty of Health Sciences, University of Manitoba invite applications for a full-time physician in the Section of Allergy and Clinical Immunology. The section is one of 17 in the Department of Internal Medicine, providing patient care, undergraduate, postgraduate and continuing education, and research. This is a geographical, full-time, contingent position commencing September 1, 2021 or as soon thereafter as possible, renewable upon favorable review. Salary and rank will be dependent upon qualifications and experience.

The Section of Allergy & Immunology has access to substantial resources within the health system, primarily at two academic health centres and one community-based hospital. There are presently 3 full-time academic allergy and clinical immunology physicians within the Section with major clinical and investigative responsibilities in allergy and clinical immunology, and additional part time members.

Based at Health Sciences Centre, the successful candidate will have a proven track record in research. They will have a strong record of publications in high impact journals commensurate with their stage of career, and proven ability to obtain peer-reviewed research funding from recognized granting agencies. The applicant will have demonstrated a high capacity to successfully interact and collaborate with other clinical and basic scientists locally and/or abroad.

Candidates must have specialty qualifications in Allergy and Clinical Immunology in the country of current practice and must be eligible for registration with the College of Physicians and Surgeons of Manitoba. Certification by the Royal College of Physicians and Surgeons of Canada is preferred. Physicians may be eligible for a recruitment incentive. Please contact [physicianrecruitment@sharedhealthmb.ca](mailto:physicianrecruitment@sharedhealthmb.ca) for further information.

The University of Manitoba is a major research university located in the city of Winnipeg. Winnipeg is the largest city in the Province of Manitoba and one of the most culturally diverse cities anywhere. More than 100 languages are represented, and Winnipeg is well known for its cultural achievements and flourishing arts scene. The city is home to the Royal Winnipeg Ballet, symphony, opera, theatre, and festivals. Besides supporting professional hockey, football, and baseball teams, the region provides ample opportunities for outdoor recreation in all seasons. The Winnipeg housing market is one of the most favorable in Canada.

Equity and diversity are essential to excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. To address the Rady Faculty of Health Sciences commitment to equity, diversity and inclusion, in recognition of the underrepresentation of members of historically and currently under-represented groups, and pursuant to the Manitoba Human Rights Commission Policy I-7, preference will be given to applicants who self-identify as women, Indigenous peoples, persons with disabilities, racialized persons, as well as other historically underrepresented groups such as 2SLGBTQ+.

Shared Health and the University of Manitoba are strongly committed to equity and diversity within its community and especially welcomes applications from women, racialized persons, Indigenous peoples, persons with disabilities, persons of all sexual and gender identities, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.
